Andrew,

4.5.2006.

Please find enclosed the cheque for the shipping, I'm sorry we missed you last Friday morning.

On behalf of Charles and myself I must thank you for the way in which you handled the shipping of Atlantic Warrior. Your staff are a credit to you, and are most helpful.

You know yourself how much trust it takes to allow somebody else to look after your boat, and

I am glad we trusted PA freight with the job. The boat arrived in La Gomera in perfect condition, and was returned to the UK promptly. I must also thank you for your kindness in returning all of our unused kit from La Gomera to the UK. If I ever need to ship anything again I will certainly turn to PA freight.

As a friend Andrew, it was great to meet you, and I am so glad that we all made it. Look forward to seeing you on the 22nd,

Toni
